MV Finance Ltd. is an Appointed Representative of AFS Compliance Limited which is Authorised and Regulated by the Financial Conduct Authority No. 625035.
MV Finance Ltd. is a Franchisee of Asset Finance Solutions (UK) Ltd

Ellerslie T&C has praised MV Commercial for delivering a new DAF CF 450 tipper grab direct from its Ready to Go fleet, helping the utilities contractor to avoid lengthy lead times in sourcing the truck from other suppliers.

MV Commercial came to the aid of the Glasgow-based firm when it experienced significant problems trying to quickly source a tipper grab to expand its utilities work, with many vehicle manufacturers currently quoting lead times of up to 12 months.

The commercial vehicle specialist, which boasts a dedicated Ready to Go fleet of 300-plus units, was able to offer immediate delivery of the DAF truck to the exact specifications required by Ellerslie T&C.

Thomas McManus, Owner of Ellerslie T&C, says: "We were really impressed with how quickly MV Commercial turned around our order and

delivered the LEZ and FORS Gold compliant truck.

"MV's extensive Ready to Go fleet offering made this possible. It's of huge benefit to companies like ours who are seeking to quickly expand their fleet or replace vehicles."

The DAF tipper grab, which is mounted with a Thompson tipper body and Palfinger Epsilon M125L grab crane, is the second vehicle from MV Commercial to join the company's fleet, after it took delivery of an identical truck three years ago. Ellerslie T&C, which also runs utilities training courses, runs the tipper grabs alongside a fleet of three vans.

McManus says it was important the truck was compliant with Low Emission Zones (LEZ) in Scotland, allowing the business to operate in the heart of Glasgow and other local city centres.

The truck features cameras

QUICK EXPANSION FOR ELLERSLIE T&C

MV'S READY TO GO TRUCKS BEHIND GLASGOW COMPANY'S FLEET GROWTH

and sensors plus LED beacon bars to ensure the safety of its drivers, road users and pedestrians.

Commenting on MV Commercial's service, he adds: "We used to outsource some of our work,

which was costing a lot of money. Contracting trucks from MV has saved us a small fortune. Area Sales Manager Ronnie Stark and his team at MV offer exceptional customer service and we plan to strengthen our relationship in 2024."

**RENTAL, LEASING AND
CONTRACT HIRE AWARD**

roadtransportball.co.uk

SPONSORED BY

We are thrilled to have been named as a finalist for Commercial Motor's Rental, Leasing and Contract Hire Award. This recognition underscores our commitment to excellence, innovation, and customer satisfaction in the truck, trailer and van industry.

This achievement wouldn't have been possible without our incredible team's dedication to the industry and the trust our clients have placed in us as we have navigated the uncertainty

of the last few years together and come out the stronger for it. We will continue to raise the bar, always striving for excellence, and embracing new challenges as opportunities. Thank you to all our employees, partners, and clients who have contributed to our success.

Stay tuned for updates as we prepare for the awards ceremony. Your support and encouragement mean the world to us, and we are excited to share this journey with you!

The 2023 British Truck Racing Championship has witnessed a season marked by both triumphs and setbacks for MV Truck Racing. Throughout the year, the team has diligently engaged in the meticulous development of their trucks, experimenting with a wide array of configurations and adaptations tailored to the diverse racetracks they've encountered.

The crescendo of this season's competition brought us to the year-end spectacle at Brands Hatch, a renowned circuit in the motor racing world. During the qualification phase, Tom displayed a remarkable performance, setting blistering lap times that resonated with the excitement of the opening round held several months ago at Brands. The key difference, however, is that this time, Tom's times were legitimate, securing him pole position for the weekend's initial two races, which unfolded amidst the persistent rainfall on a challenging Saturday.

The first race was a riveting spectacle, with Tom and the eight-time champion, Ryan, locked in an intense contest as they hurtled down the track. The clash was abruptly halted by a red flag incident, necessitating a race restart. In the second iteration, Tom again demonstrated his mettle, distancing himself from the rest of the field. Yet, once more, the race was interrupted by a red flag. Initially, Tom was declared the victor, only for this title to be rescinded due to an insufficient number of laps having been completed. Regrettably, this race was unable to recommence due to time constraints.

The second race on that Saturday witnessed a repetition of the first, as Ryan and Tom grappled for the top position. With only a handful of laps remaining, Ryan managed to overtake Tom, securing the coveted first place for the final race of Saturday, leaving Tom in a commendable second place.

A dramatic twist in the storyline occurred on the subsequent Sunday, as the race organizers, prompted by the incomplete first race, decided to initiate a reverse grid start. This alteration added an extra layer of intrigue

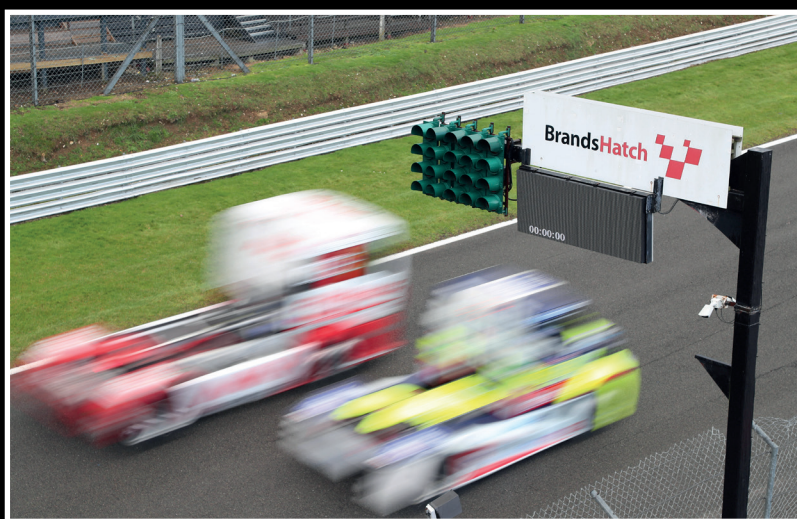

to the weekend's third and fourth races, with the usual contenders fiercely vying for supremacy.

Meanwhile, in Division Two, the heated rivalry between Rivett and Bint took center stage. A mere one-point difference between them fueled a weekend-long spectacle of highly competitive racing, with Rivett eventually emerging as the Division 2 champion.

The culmination of the British Truck Racing Championship weekend was eagerly anticipated, with a capacity crowd witnessing the final showdown. However, a regrettable incident involving Powell and Reid, resulting in a crash, prompted yet another red flag and the unfortunate abandonment of the race before a single lap was completed.

The challenging conditions, including a waterlogged track, made this one of the most compelling and, at times, disappointing weekends in recent memory for the sport's ardent supporters. We extend our

sincere gratitude to our dedicated supporters for their unwavering commitment and look forward to their continued presence at our events in the coming year.
