MV COMMERCIAL

ABOUT MV

MV Commercial is one of the leading specialist commercial vehicle companies in the UK.

For the last two decades we have been supplying light and heavy commercials to some of the top companies across the UK. Operating from six main depots in Airdrie, Livingston, Oxford, Grantham, Haydock and London Luton, our fleet of more than 200 specialist trucks, trailers and vans, backed by over 150 staff, allows us to supply any size fleet to businesses of all sizes, from owner-drivers to multi-nationals.

We believe we provide an altogether better experience by investing heavily in our vehicles, facilities, technology and staff training, as well as going the extra mile to understand your industry and your exact needs so we can provide you with the right truck at the right price. Because we are independent of any single manufacturer, we believe we offer greater choice, quicker turnarounds and unbiased advice on hiring the most appropriate commercial vehicle for your business.

Our flexible approach to contract hire and lease offers an affordable way to manage and grow your commercial fleet. We have a friendly, knowledgeable staff who maintain each and every one of our vehicles to the highest standards, and we are proud that they are some of the best and most reliable on the UK roads.

For all your commercial vehicle needs, whether it is short-term hire to cover a busy period or long-term contract leasing, refreshing your fleet to building specialist vehicles, make MV Commercial your first call.

FRUEHAUF

ENGINEERING EXCELLENCE

All trailer manufacture is based at our 64-acre site in Grantham, Lincolnshire, which is centrally located within the UK. The A1 has recently been connected to the B1174 south which runs west of the Grantham site, also London St Pancras and King Cross railway stations are just over an hours train journey away.

We offer market-leading turnaround times and our range of tipping trailers are produced entirely on site, including all engineering design, fabrication processes, shot blasting, painting, brand design and vinyl livery production.

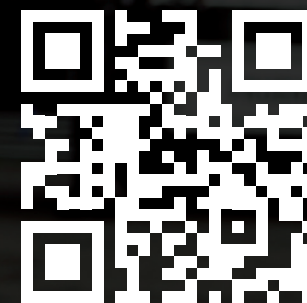

Fruehauf is the longest established tipping

trailer manufacturer in the UK. Our trailers have a long history of being robustly built, lightweight, dependable, and versatile enough to suit a wide range of industries and applications.

We pride ourselves on producing British built trailers to service the British agriculture, aggregate, construction, waste management and haulage industries.

**THE UK'S LEADING
SUPPLIER OF SPECIALIST
READY TO GO TRUCKS**

Specialist truck provider MV Commercial has completed a multi-million-pound deal to buy tipping trailer and rigid body manufacturer Fruehauf out of administration – protecting 120 jobs and securing a positive future for one of the best-known brands in the industry.

The landmark deal includes an immediate cash injection and a commitment to a further £30m investment over the next three years, as part of ambitious plans to modernise the manufacturing facility and realise the full potential of the 67-acre site in Grantham, Lincolnshire. MV Commercial will also revive the legendary 'Crane Fruehauf' name, by which the business was known until around 1998. The rebranding is expected to be completed in the

coming weeks.

Tom O'Rourke, CEO of MV Commercial, says: "This is a hugely significant day for both businesses; and an opportunity we couldn't turn down. Fruehauf has a fantastic product range, a rich heritage, and a wealth of talent within its team which will be complemented by MV Commercial's strength and experience in the marketplace.

FINANCE

Helping Your
Business Grow

Drawing on our distinctive expertise in tailoring financial solutions for the truck, plant, and commercial vehicle industry, our in-house finance company stands as your dedicated partner, committed to delivering a level of service that is as unique as your business.

We take pride in offering personalized customer service that goes beyond the ordinary, ensuring that your financing experience is not only seamless but also precisely aligned with the specific requirements of your industry.

At MV Finance, we understand that every business has its own set of needs and challenges. That's why our in-house finance experts are here to guide you through the intricacies of financing, helping you navigate the landscape of rates and deals to secure terms that best match the unique demands of your operations.

Whether you're looking to acquire new trucks, update your plant equipment, or enhance your

commercial vehicle fleet, our team is dedicated to finding the most advantageous financial solutions for your business.

Our flexible, focused, and driven approach is the cornerstone of MV Finance's commitment to excellence.

We recognize that no two businesses are alike, and our goal is to tailor our services to meet your specific circumstances.

This customer-centric philosophy has been pivotal to our values and, ultimately, the success we've achieved to date.

Predictable Monthly Repayments:

Our financing plans allow you to break down the cost of your wheeled assets into manageable and predictable monthly payments.

This means you can acquire the vehicles you need without a significant upfront capital outlay, helping you to maintain better cash flow for other essential aspects of your business.

Flexibility:

We understand that each business is unique, and that's why we offer flexible financing options tailored to your specific needs.

Whether you're looking for short-term or long-term financing, we can design a solution that suits your budget and preferences.

Dealer Agnostic:

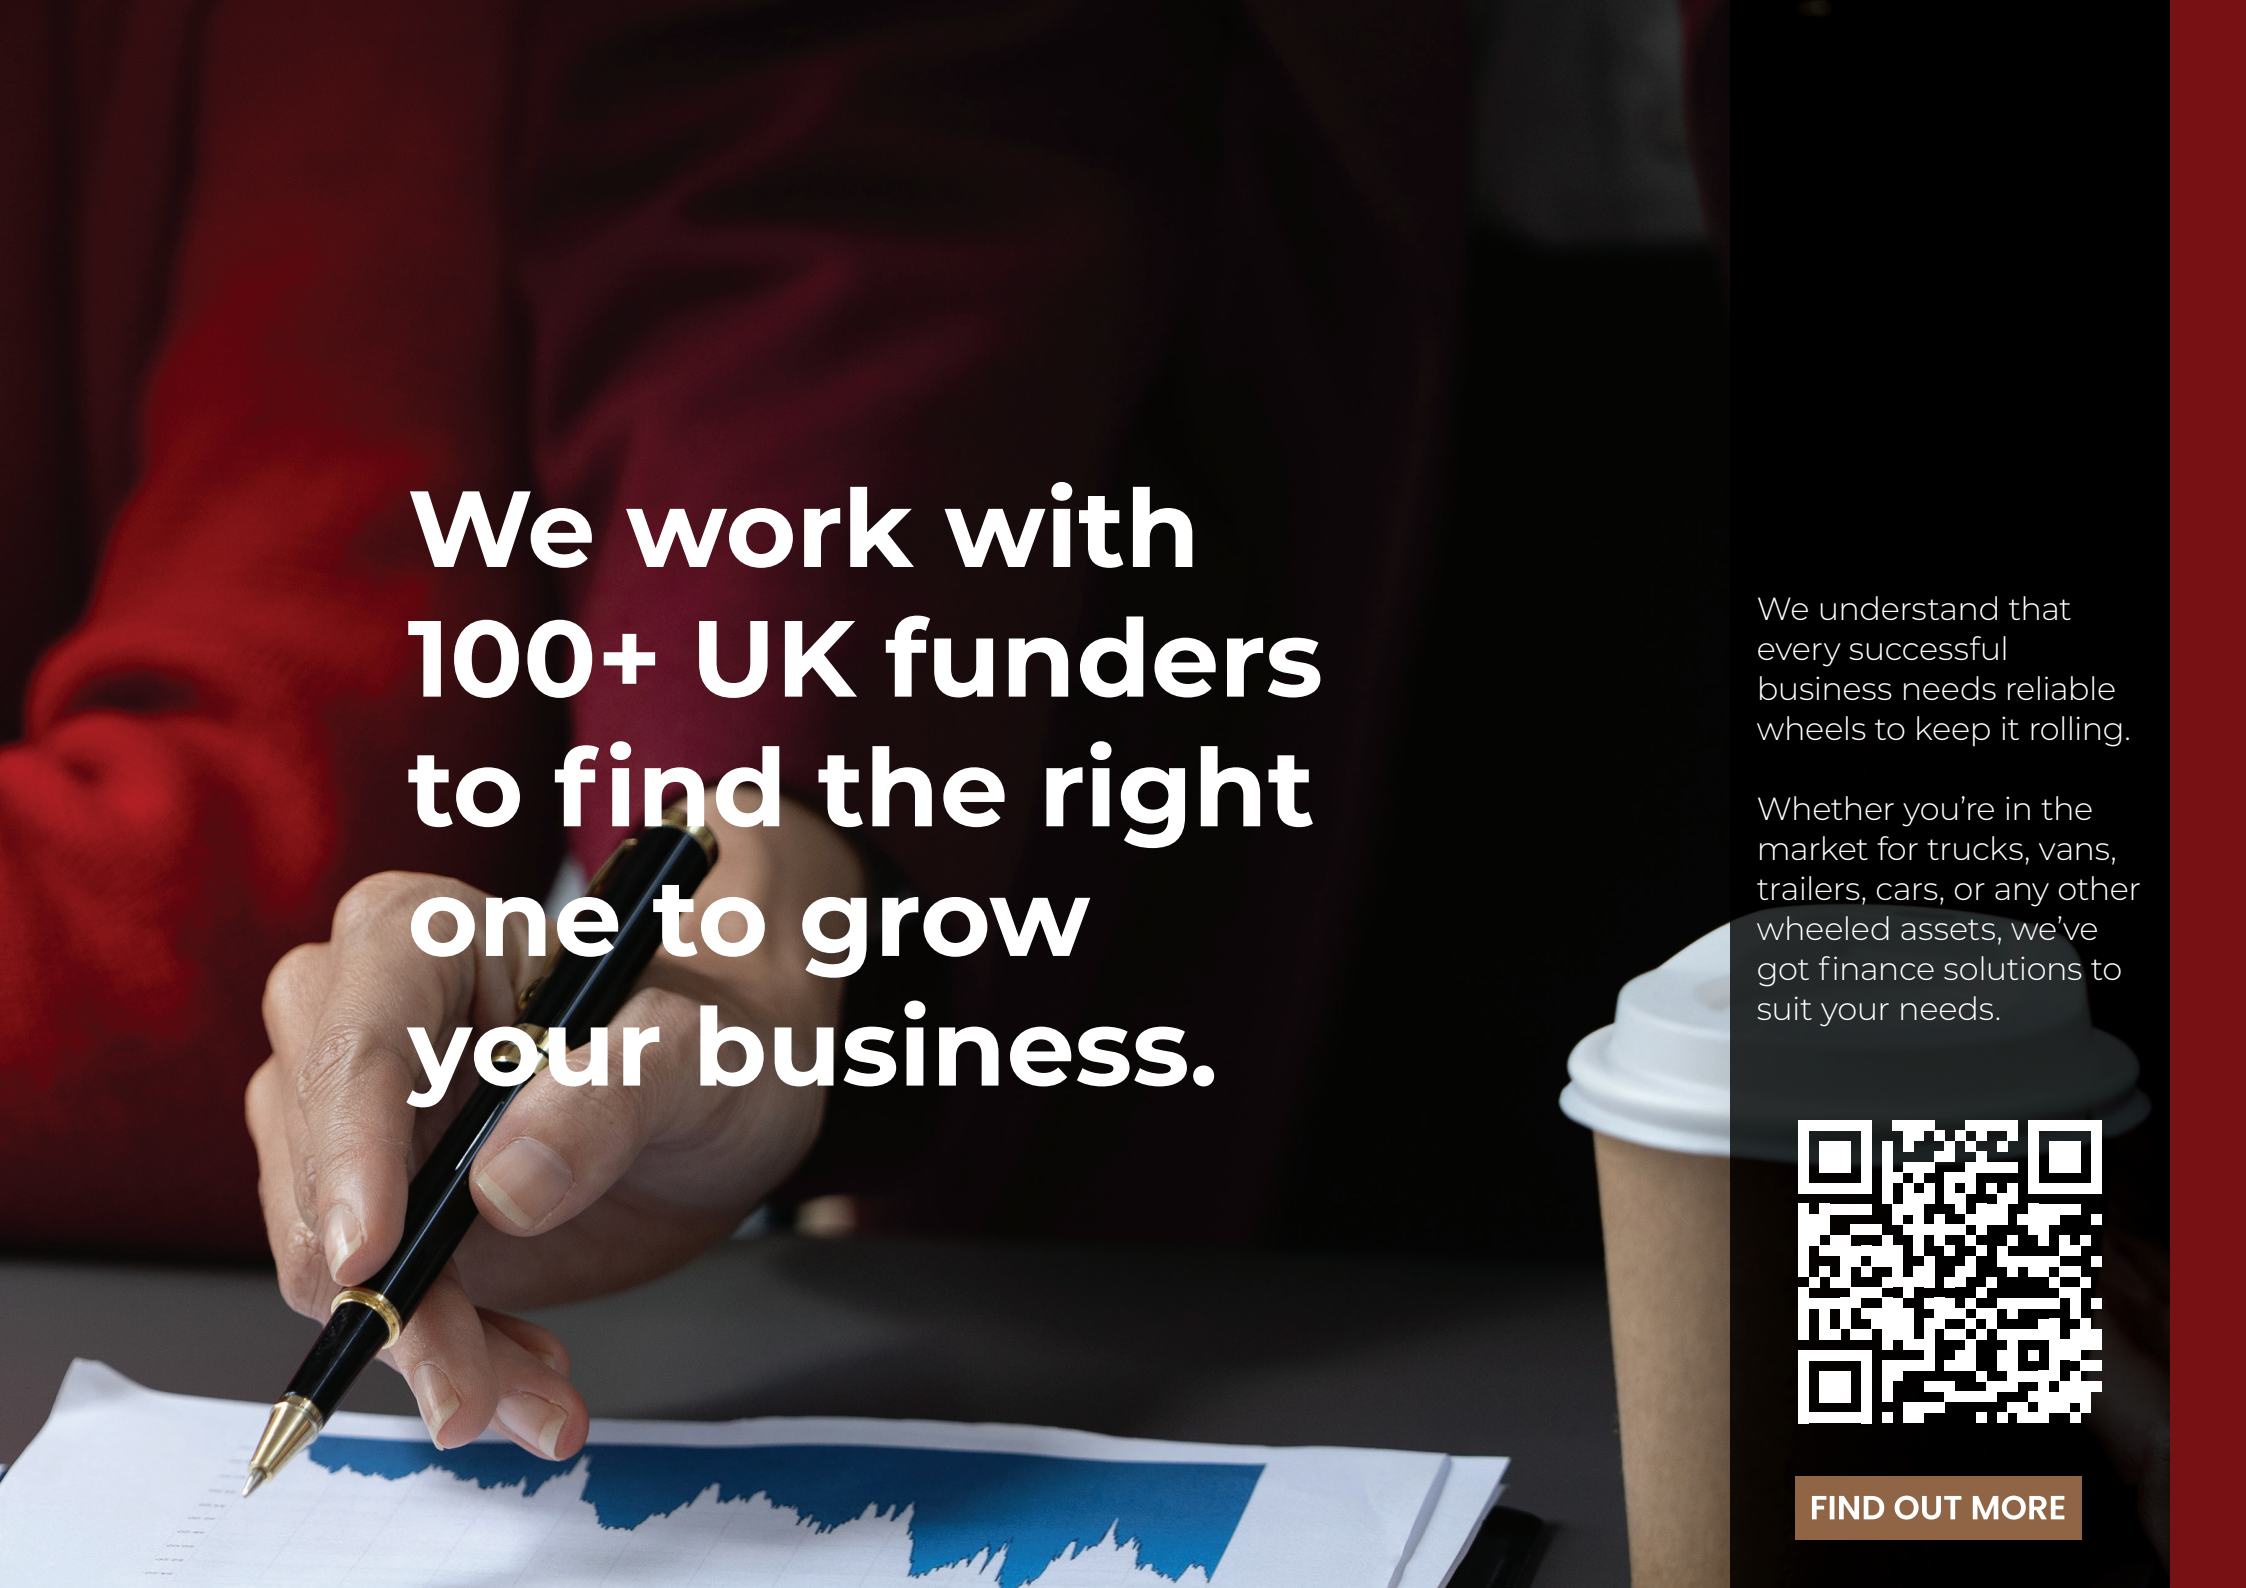

We work with a wide range of dealers, so you aren't tied to a specific make, model or provider. However, if you need help sourcing a particular vehicle, we

can refer you to one of our partners who might be able to help.

Streamlined Process:

Our team of experts will guide you through the financing process, making it hassle-free and straightforward. We're here to answer your questions, help you with

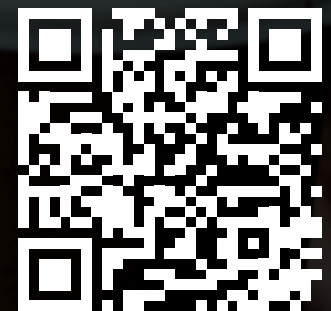

paperwork, and get you behind the wheel of the vehicles you need as quickly as possible.
